By virtue of Royal Decree 537/2020 of 22nd May 2020, extending the state of alarm, as of 1st June 2020 the suspension of administrative deadlines is lifted, which means that the period for submitting applications under this process begins on 1st June 2020 and ends on 1st July 2020, according to the stipulations of article 30.4 of the Public Administration and Common Administrative Procedure Act, Law 39/2015 of 1st October 2015.

Call for applications to the Gaztemundu programme 2020

The Office for the Basque Community Abroad is working to ensure the programme takes place this year, at the end of October. Call for applications for subsidies to Basque Centres and Federations 2020

In this case, the deadline for submitting applications was on 28th February, and we are at the stage of adjusting applications, so we would ask Basque centres and federations that need to adjust the amounts applied for to new global circumstances (closing down of activities due to confinement) do so as soon as possible in order not to prejudice other projects taking part in the same process. We would also ask for an effort to be honest and realistic in revisiting applications made in February in view of the current circumstances.
