

PELOTA COURT DONATIONS

Donations Accepted to Restore the Pelota Court Sign and Benches

Mark Vidlack has completed part of the restoration of the pelota court. He has worked to restore the masonry as well as to preserve the life of our beloved Pelota Court for many generations. We would like to also restore the sign and benches as they are showing signs of deterioration.

If you would like to contribute a donation to restoring the Pelota Court you can mail or bring in a check to City Hall. In the memo line please write Pelota Court Fund.

You could also have a brick engraved with a minimum donation of \$100.00.

Any donation will help restore signage, benches and flags specifically for the Pelota Court.

If you have any questions, call City Hall: (541)586-2460 or email cityofjv@gmail.com
