BECOME A WORLD CLASS PELOTA REFEREE

Elizabeth LASCURAIN and Jorge BALBI will show, with their three-day course, (6 hours total), an introduction into the Modern Game of Basque Pelota of the 21st Century.

Instruction will be available online starting on various dates at the end of July into the end of August. Language is no longer a barrier, with the only barrier being the wall of the fronton and the ball of the game we love. Learn the various disciplines, rules and regulations and the exciting growth development in the Olympic movement with International competitions scheduled in Europe, Central America and South America in the next 5 years.
