Aita Semeak

Aita semeak tabernan daude
Ama-alabak jokoan
Aita semeak tabernan daude
Ama-alabak jokoan.

Berriz ikusi beharko dugu
Behi gizona auzoan,
Berriro ere ez da faltako
Trapu zaharrik kakoan.

Aita semeak tabernan daude
Ama-alabak jokoan
Aita semeak tabernan daude
Ama-alabak jokoan.

Eta lapurrek ohostu dute
Guk gendukana etxean,
Eta gu gaude erdi biluzik
Beti inoren menpean.

Aita semeak tabernan daude
Ama-alabak jokoan
Aita semeak tabernan daude
Ama-alabak jokoan.

Geurea dugu erru guztia,
Geurea dugu osoan,
Ez inori ba errua bota
Euskal Herria hiltzean.

Aita semeak tabernan daude
Ama-alabak jokoan
Aita semeak tabernan daude
Ama-alabak jokoan.

Father and Son

**Father and son are at the bar
Mother and daughter gamble
Father and son are at the bar
Mother and daughter gamble.**

We'll have to see it again
The fat cow at the neighbor's,
It will not be missed again
Old rags on the hook.

**Father and son are at the bar
Mother and daughter gamble
Father and son are at the bar
Mother and daughter gamble.**

And the thieves have stolen
What we have at home,
And we are half naked
Always dependent on someone.

**Father and son are at the bar
Mother and daughter gamble
Father and son are at the bar
Mother and daughter gamble.**

It is all our fault,
We have ours all over,
Don't blame anyone
When the Basque Country dies.

**Father and son are at the bar
Mother and daughter gamble
Father and son are at the bar
Mother and daughter gamble.**

Baina gaztea naiz eta daukat
Etorkizuna eskuan,
Ez zaigu hilgo Euskal Herria
Ni bizi naizen artean.

**Aita semeak tabernan daude
Ama-alabak jokoan
Aita semeak tabernan daude
Ama-alabak jokoan.**

But I am young and I have
The future in hand,
The Basque Country will not die
As long as I live.

**Father and son are at the bar
Mother and daughter gamble
Father and son are at the bar
Mother and daughter gamble.**
