Alferraren Astea

Astelehena, jai ondoko alferra,
ezer ez egiteko ez goaz lanera,
eta ez goaz lanera, ez goaz lanera,
eta ez goaz lanera, ez goaz lanera.

Asteartea, euria goitik behera,
busti egingo gara eta ez goaz lanera,
eta ez goaz lanera, ez goaz lanera,
eta ez goaz lanera, ez goaz lanera.

Asteazkena, osaba ezkontzen da,
jai hartzen dugu eta ez goaz lanera,
eta ez goaz lanera, ez goaz lanera,
eta ez goaz lanera, ez goaz lanera.

Osteguna, amonaren eguna,
hori ospatzeko ez goaz lanera,
eta ez goaz lanera, ez goaz lanera,
eta ez goaz lanera, ez goaz lanera.

Ostirala, hagineta mina,
aspirina hartuta bagoaz ohera,
eta ez goaz lanera, ez goaz lanera,
eta ez goaz lanera, ez goaz lanera.

Larunbata, egun erdiko lana,
egun erdigaitik ez goaz lanera,
eta ez goaz lanera, ez goaz lanera,
eta ez goaz lanera, ez goaz lanera.

Igandea, lantegia itxita,
lan egiteko nahi baina ezin joan lanera,
eta ez goaz lanera, ez goaz lanera,
eta ez goaz lanera, ez goaz lanera.

The Lazy Person's Week

Monday, lazy after vacation,
we aren't going to work to do anything,
and we're not going to work, we're not
going to work. (x2)

Tuesday, it's pouring rain,
we're going to get wet and we're not going
to work
and we're not going to work, we're not
going to work, (x2)

On Wednesday, my uncle gets married,
we take a holiday and we're not going to
work,
and we're not going to work, we're not
going to work. (x2)

Thursday is Grandmother's Day,
we celebrate that, and we're not going to
work,
and we're not going to work, we're not
going to work. (x2)

Friday, toothache,
we take aspirin and go to bed,
and we're not going to work, we're not
going to work. (x2)

Saturday, half-day's work,
For half a day we're not going to work,
and we're not going to work, we're not
going to work. (x2)

Sunday, the workplace is closed,
I want to work but I can't go to work,
and we're not going to work, we're not
going to work. (x2)
