Euskal Herrian Euskaraz

Euskal Herrian euskaraz
Nahi dugu hitz eta jolas
Lan eta bizi euskaraz eta
Hortara goaz,
Bada garaia noizbait dezagun
Guda hori gal edo irabaz.
Zabal bideak eta aireak
Gure hizkuntzak har dezan arnas,
Bada garaia noizbait dezagun
Guda hori gal edo irabaz.

Euskal Herrian euskara
Hitz egiterik ez bada
Bota dezagun demokrazia
Zerri askara
Geure arima hiltzen uzteko
Bezain odolgalduak ez gara.
Hizkuntza gabe esaidazue
Nola irtengo naizen plazara,
Geure arima hiltzen uzteko
Bezain odolgalduak ez gara.

Euskal Herri euskalduna
Irabazteko eguna
Pazientzia erre aurretik
Behar duguna,
Ez al dakizu euskara dela
Euskaldun egiten gaituena?
Zer Euskal Herri litzake bere
Hizkuntza ere galtzen duena.
Ez al dakizu euskara dela
Euskaldun egiten gaituena?

Euskara in the Basque Country

Euskara in the Basque Country
We want to speak and play
Work and live in Euskara and
We are going there,
It's time to do something
Losing or winning that war.
Wide paths and air
Let our tongues breathe
It's time to do something
Losing or winning that war.

Euskara in the Basque Country
If you can't speak
We throw away democracy
Without swine
To let our souls die
We are not as bloodthirsty as we are
Tell me, without language
How am I going to go out to the plaza?
To let our souls die
We are not as bloodthirsty as we are.

The "Basque" Basque Country
Day of victory
Patience before burning
What we need
Do you not know that Euskara is
What makes us Basque?
What Basque Country could also
Could even lose its own language.
Do you not know that Euskara is
What makes us Basque?
