**Grammar Point:**

A bird – txori

a little bird –

The suffix -txo at the end of noun gives that word a diminutive feel. Ume is child and when we want to make it smaller we use umetxo. A flower; lore -- a little flower; loretxo

Try some more:

A little bit – apur bat    a tiny wee bit – apurtxo bat  
 My son – nire seme    My darling son –  
 Mother – ama    Mommy –  
 A dog – txakur    a puppy –  
 My love – maite    my sweet love –
